Too much care cannot be used with mall children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of casfor oil to correct any disorder of the bowels. Do not use any substitute, but give the oldfashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of cestor oil, and the disease may be checked in its incipiency and all danger avoided. The castor oil and this remedy should be procured at By R. F. Knox, Auctioneer.
